

COUNTY OF LOS ANGELES HOUSEHOLD HAZARDOUS AND ELECTRONIC WASTE COLLECTION PROGRAM

1 (888) CLEAN LA ♦ www.CleanLA.com

The County of Los Angeles is pleased to offer its residents free, convenient and environmentally safe means to dispose of household hazardous and electronic waste (HHW/E-Waste). Residents may utilize the following weekly mobile events or the permanent collection centers to dispose of their HHW/E-Waste.

Please note that it is illegal to transport more than 15 gallons or 125 pounds of household hazardous waste per trip. HHW/E-Waste from businesses are not accepted. For further information in English or Spanish, please visit www.CleanLA.com or call 1(888)CLEAN LA.

Mobile Collection Events - 9:00 am-3:00 pm (unless otherwise noted)

Sign up with our eNotify system to receive e-mails on upcoming HHW/E-Waste collection events within your area.
For more information and for a complete list of our mobile events, visit www.CLEANLA.com.

Additional Disposal Options for Used Motor Oil/Used Oil Filters

You can always take used motor oil and used oil filters to a certified collection center near you. Residents of **Baldwin Park, Glendale, Lawndale, Long Beach, Rancho Palos Verdes, Santa Clarita, and Santa Monica** can also use their city's used motor oil curbside pickup service. Call your city for more information. Residents may also utilize the County's permanent used oil/oil filter collection centers in Altadena, Baldwin Park, Canyon Country, Malibu, Marina Del Rey, Los Angeles, Palmdale, Santa Fe Springs and Sun Valley. Call 1(888) CLEAN LA for more information.

*****ASK US HOW TO OBTAIN A FREE SHARPS CONTAINER*****

Notice

Effective September 1, 2008, **home-generated sharps waste** (syringes, lancets, medical needles) **can no longer be placed in your regular trash can.** Pick up a FREE Sharps container at any of our designated sites, while supplies last. You may also collect your home-generated sharps waste in a sturdy container that does not leak, break, or puncture. Seal the container tight and label it "SHARPS". Bring your sharps container to any of our HHW collection events, permanent collection centers, or other designated sites. Visit www.CleanLA.com for more information.

How to reduce Household Hazardous Waste

Know Your HHW.

Household Hazardous Waste (HHW) is any product labeled; toxic, poisonous, corrosive, flammable, combustible or irritant that is disposed of.

Buy Smart.

Purchase non-toxic/less hazardous products and only what you need.

Store Properly.

Keep products out of reach of children and pets. Toxic products are poisonous ---don't put your family's health and safety at risk!

Use It Up.

Finish all unused products and recycle the containers or donate what is leftover.

Protect Our Communities.

NEVER throw HHW into your household garbage, toilets or sinks; never dump on the ground or pour down the storm drains- it is illegal – and HHW can seep into the groundwater waterways and oceans, causing contamination of our drinking water, beach closures and posing health hazards to swimmers.

Dispose Properly.

Dispose of HHW/E-Waste properly at a FREE Los Angeles County Roundup or a permanent center near you!

For alternative non-hazardous recipes visit:
<http://dpw.lacounty.gov/epd/hhw/alternative.cfm>

Upon 72 hours notice, the Department can provide program information and publications in alternate formats or make other accommodations for people with disabilities. In addition, program documents are available at our main office in Alhambra (900 S. Fremont Ave.), which is accessible to individuals with disabilities. To request accommodations ONLY, or for more ADA information, please contact our departmental ADA Coordinator at (626) 458-4081 or TDD (626) 282-7829, Monday through Thursday, from 7:00 a.m. to 5:30 p.m.
